

Revised 09/11/14

CURRICULUM VITAE
Maron Brown Calderwood Mays

BIRTHPLACE: Cambridge, Massachusetts

BIRTH DATE: June 27, 1942

CITIZENSHIP: United States

MARITAL STATUS: Married (David Lee Mays), four children

SOCIAL SECURITY NUMBER:

EDUCATION:

B.A., Allegheny College, Meadville, PA, 1964, magna cum laude (Pre-medicine, Chemistry)

V.M.D., University of Pennsylvania, Philadelphia PA, 1968, summa cum laude

Ph.D., University of Florida, Gainesville, FL, 1977 (Experimental Pathology)

SPECIALTY BOARDS: American College of Veterinary Pathologists, Diplomate, 1982

MOST RECENT GLP TRAINING SESSION: Working with the GLP Regulations – GLP Compliance for Pathologists, Barry W. Benson, Biologic Systems, Inc., May 7, 2006, Gainesville, FL

LICENSED TO PRACTICE:

Florida VM0001403

Pennsylvania BV003453L (inactive)

Federally accredited veterinarian, PA, 1968 – ; FL, 1977 – present

CURRENT POSITION:

Veterinary Pathologist and co-owner, Florida Vet Path, Inc., and FVP Consultants, 506 N. West Street, Bushnell, FL 33513 and 13703 Millhopper Road, Gainesville, FL 32653

Courtesy Clinical Professor, Department of Small Animal Clinical Sciences, College of Veterinary Medicine, University of Florida, Gainesville, FL

PAST POSITIONS:

Practitioner, Lansdowne Animal Hospital, Lansdowne, PA, 1968 – 1971

Post Doctoral Trainee, Department of Pathology, Tumor Biology Unit, College of Medicine, University of Florida, Gainesville, FL, 1972 – 1976

Assistant Professor, Division of Comparative Pathology, College of Medicine, University of Florida, Gainesville, FL, 1977 – 1982 (Small Animal Clinician and Oncologist, 1977 – 1979; Pathologist, 1979 – 1982)

Chief, Surgical Pathology, Veterinary Medical Teaching Hospital, University of Florida, Gainesville, FL, 1983 – 1992

Associate Professor, Department of Comparative and Experimental Pathology, College of Veterinary Medicine and Department of Pathology and Laboratory Medicine, College of Medicine, University of Florida, Gainesville, FL, 1985 – 1991

Coordinator, Residency in Veterinary Pathology, Veterinary Medical Teaching Hospital, University of Florida, Gainesville, FL, 1987 – 1992

Professor, Department of Comparative and Experimental Pathology, College of Veterinary Medicine, and Department of Pathology and Laboratory Medicine, College of Medicine, University of Florida, Gainesville, FL, 1991 – 1992

Veterinary Pathologist, Doctors and Physicians/SmithKline Beecham Clinical Laboratories/Antech Diagnostics, 801 E. Dixie Avenue, Leesburg, FL 34748, 1992 – 1997

Consultant Pathologist, Marshfield Laboratories, Marshfield, WI, 2004 - 2014

HONORS:

Phi Beta Kappa, 1963

Phi Zeta, 1967

Award of the Women's Auxiliary to the A.V.M.A., 1968

Medical Guild Graduate Research Award, 1st Place, 1977

Sophomore Class Teacher of the Year, 1982 – 1983

Norden Award for Distinguished Teaching in Veterinary Medicine, 1983

Florida Veterinary Medical Association Gold Star Award for contributions to veterinary medicine, 1983 and 1985

Who's Who in Veterinary Science & Medicine, 1st edition, 1987; 2nd edition, 1991

SOCIETY MEMBERSHIPS:

Alachua Veterinary Medical Association

Board of Trustees, 1974 – 1980, 1983 – 1987, 1990 – 1999, 2007 – 2009

Secretary Treasurer, 1974 – 1977

President Elect, Program Chairman, 1978

President, 1979

Secretary, 1990 – 1998

Local Disaster Relief Director, 1995 – 2000

Representative, UF College of Veterinary Medicine Curriculum Committee, 2007 – present

American Academy of Veterinary Dermatology

American College of Veterinary Pathologists

Organizer and Chairman, Surgical Pathology Specialty Group, 1984, 1985, 1987, 1993;

Vice Chairman, 1986, 1992

Vice Chairman, Education Specialty Group, 1984; Chairman, 1985

Vice Chairman, Dermatopathology Specialty Group, 1987; Chairman, 1988
 Vice Coordinator, Specialty Group Educational Programming, 1987 – 1992;
 Coordinator, 1992 – 1997
 Organizer and Chairman, ACVP Young Investigator Awards, 1988 – 1990; Judge,
 1988, 1992
 Board Certification Examination Committee, 1997 – 1998
 Standing Education Committee, 1992 – 1997
 Recruitment Committee, 2000 – 2009; Chair, Public Relations Subcommittee; Mentoring
 Committee
 Government Policy Committee, 2003 – present
 American Society for Veterinary Clinical Pathology
 American Veterinary Medical Association
 Florida Veterinary Medical Association
 Veterinary Technician Committee, 1983 – 1995
 Budget and Finance Committee 1995 – 1998
 Phi Zeta
 Secretary Treasurer, Upsilon Chapter, 1990 – 1992
 Southeastern Veterinary Pathology Conference Moderator, 1984 – 1985; Collator,
 1985 – 1986
 Veterinary Cancer Society (now inactive)

OTHER APPOINTMENTS:

Advisory Committee, Veterinary Technology Program, St. Petersburg Junior College,
 Pinellas Park, FL, 1984 – 1992
 Charles Louis Davis, D.V.M., Foundation Faculty of Discussants, 1987 – present
 National Board Examination Resource Committee, 1988
 Editorial Board, Veterinary Pathology, 1990 – 1992, 2001 – 2004; Associate Editor,
 1993 – 1997

Case Presentations in Modern Veterinary Pathology, C.L. Davis Foundation Symposium, Athens, GA, June 13, 1989.

Cutaneous Histiocytoses, American Academy of Veterinary Dermatology, Scottsdale, AZ, April 30, 1991.

Diseases of the Dermis and Panniculus, American College of Veterinary Pathologists Annual Meeting, Integumentary System, Orlando, FL, December 13, 1991.

Regional Collagenous Nevi in Three Dogs: Nevus, Nodular Dermatofibrosis, or Something New? Supporting Paper, Neoplasia or Pseudoneoplasia Symposium, 2nd World Congress of Veterinary Dermatology, Montreal, Quebec, Canada, May 16, 1992.

Clinical Approach to the Diagnosis of Liver Diseases, 64th Annual Convention of the FVMA, Orlando, FL, September 18, 1993.

Technicians Approach to Working Up Dermatological Disease, Annual Convention of The Florida Veterinary Technicians Association, Orlando, FL, September 18, 1993.

Interpretation of Dermatopathology Reports, Defined Learning Experience in Small Animal Dermatology, The North American Veterinary Conference, Orlando, FL, January 16, 1994.

Multiple Cysts and Tumors of Follicular Origin, Annual Members Meeting, AAVD and ACVD, Charleston, SC, April 16, 1994.

Diagnostic Histopathology – Playing with a Full Deck, Annual Meeting, Veterinary Laboratory Association, Orlando, FL, May 15, 1995.

Experimental Bacterial Placentitis in Pony Mares: Pathological Findings, Havermeier Workshop on Uterine Infection, Naples, FL, May 3, 2000.

Veterinary Dermatopathology Using a Glass Slide and A Crystal Ball, 10th Annual Northeast Veterinary Pathology Conference, Cobleskill, NY, October 3, 2004.

Gross and Microscopic Pathology of Placentas and Foal Organs in Experimentally Induced Equine Ascending Bacterial Placentitis, Havermeier Foundation Workshop on Uterine Infection in Mares and Women: A Comparative Study II, Hilton Head, SC, November 10, 2005

Frequent speaker at local veterinary medical associations in the Southeastern USA since 1977.

OTHER PROJECTS:

ACVP Power Point Presentation: Calderwood Mays M, Cantor G, Markovits J, Sills R:
How About A Career In Veterinary Pathology?, American College of Veterinary
Pathologists (recruitment presentation), 2003.

RESIDENTS:

Residents trained since 1982: 28 (23 obtained Board Certification by the ACVP).

Resident Research Projects supervised: 7 (1 Phi Zeta Research Award)

GRADUATE STUDENTS:

Doctoral student committees: 6; 5 obtained Ph.D.

Masters student committees: 4; 3 obtained M.S.

Some Grants and Contracts for which M. Calderwood Mays served/serves as Pathologist and/or Co-investigator:

Comparative Study of Indium-III Leukocytes and Nephroscintigraphy for Detection of Experimental Pyelonephritis in Dogs, University of Florida College of Veterinary Medicine, \$5,000, 1991 – 1993, L. Neuwirth, Principle Investigator

Does Glutamine Protect Equine Jejunal Mucosa Against Anoxic Damage *in vitro*?, University of Florida College of Veterinary Medicine, \$5,600, 1992 – 1993, J B Madison, Principle Investigator

Documentation of Delay in Uterine Clearance Using Scintigraphy, Grayson Jockey Club Research Foundation, Inc., \$14,250, 1992 – 1993, M. LeBlanc, Principle Investigator

Therapy for Metastasis in Dogs and Cats Using MLV-MTP-PE, Cooperative Multi-institutional Trial, Ciba-Geigy, \$34,000, 1991 – 1995, L Fox, Regional Principle Investigator

Phase 11 Clinical Trial Using L-NDDP in Cats with Oral Squamous Cell Carcinoma, R.H. Winn Foundation, \$12,300, 1993 – 1998, L Fox, Principle Investigator

Use of a Liposome-Encapsulated Cisplatin Analog in Cats, University of Wisconsin, \$3,600, 1991 – 1998, L. Fox, Principle Investigator

Polymer Solutions as Therapeutic Solutions for Joint Disease, Division of Sponsored Research, University of Florida, Department of Material Sciences, \$2,000, 1993 – 1998, L. Peck, Principle Investigator

Application of Fractionated HMPAO stored at 70 degrees C for 99 m TC-HMPAO SPECT Brain Scintigraphy in dogs, University of Florida College of Veterinary Medicine, \$3,684, 1994, L. Neuwirth, Principle Investigator

Histopathological Characterization of the Cutaneous Lesions Associated with Feline Hyperthyroidism, Winn Feline Foundation, \$3040, 1997 – 2000, A. Hillier and M. Calderwood Mays, Principle Investigators
